PRESIDENT'S MESSAGE

Lot's of things happening.....

Kurt Heber, Dave Roe, Len Wardman, Herschel Williamson and I were known to attend the Daytona Speedway car show. Nice weather, smaller show than the Turkey Rod Run, but the car corral was big as ever with a modest number of Mustangs. High asking prices as usual.

Kurt Heber, Earle Timothy and I attended the Fantasy of Flight Mustang Mustang show. Hot weather, 225 cars, with one Mustang Aircraft making high speed passes across the field. Imperial Mustang Club people say that Fantasy of Flight management is becoming more restrictive so they are looking for other venues to include Cypress Gardens. Kurt and I continued to Old Town which was loaded with cars.

Don't forget the Titusville Show on 22-23 April. We were notified by the "Morgan Project", a fund raising organization, they will have a car show on Sunday, 7 May, 12 to 5PM at Gleason Park on South Patrick Drive, in Indian Harbour Beach. This is a beautiful location with a Lake, all grass and many trees. Also, there are restaurants near by.

Ran into some people with Mustang's for sale. Carl Walker, 242-1287/720-6935, has a real nice 1967 red convertible. Ron Garrison, 288-4467/724-5322, has a 1984 convertible, 5.0, white with white top, red interior, asking \$2500. "Rod", at 253-3212, has a 1999 GT with 8K miles, dark green, 5 speed, asking \$13K.

Let's stay active and attend our meetings. We are working on some interesting programs.

Ted Ostovich

Space Coast Mustang Club meeting minutes.

Date: 3-29-06

Location: Beef O'Brady's Restaurant

Attendance: 21

Visitors: John Melo and Peggy Grass

Treasurer's report: \$2771.06 in the checking account as of 2-28-06.

New Business

This was a dinner meeting. The management of Beef O'Brady's gave our meeting room to another organization the day of our meeting without notifying our club. They did this because the other group guaranteed more people. Our club members ate dinner in the same area of the restaurant, but it was not possible to hold a meeting. We will not use Beef O'Brady's in the future. Jerry Davis of Jerry's Action Auto, who was to make a presentation on alignment, balancing and tires, will do so at the June 27th dinner meeting at Mee Maw's Restaurant in Indian Harbour Beach.

The next meeting will be held at the Cocoa Library at seven PM on 25 April. Earle Timothy will bring the dessert and Dave Roe the beverage. The program will be a DVD on Roush, his life and his company. It will be displayed on the "monster" screen at the library.

NOTE: The following message was received from the Melbourne Beef O'Brady's Restaurant:

Dear David Roe and the Mustang Club,

I would like to take this opportunity to apologize for the problems we had on Wednesday, March 29th. We take full responsibility for the error that cost your club the use of our meeting room. An error by one of my employees caused the double booking of the room. Our staff and I are truly sorry for the inconvenience that it caused your club. I realize that I can't go back to make things better but if there is anything I can do in the future to help your club then please let me know. Perhaps I can donate a gift certificate for some of your club events. I will enclose one with this letter to raffle off at your meeting. Once again, I am truly sorry.

Sincerely,
Joe Baker
