A new year and a lot of Mustang action has taken place. I attended the Old Town cruise in Kissimmee and there was a record setting 415 cars participating. Ted Ostovich, Kurt Heber, Jerry and Jean Boles attended the Silver Springs show where 1700 cars pre registered. Saturday was great until 3 PM when the rain started. A lot of nice cars and a lot of people. I attended the Titusville nights cruise and there were over 250 cars present.

A lot of activity in the area and I encourage your participation. Two big shows coming up for which we have enclosed registration forms. First, the Waterford Lakes show in Orlando on 23 February, which normally draws 350 cars. We will meet at 7 AM at the McDonalds restaurant at the intersection of Rt. 520 and I-95, and depart in convoy at 730 AM for the show.

Next, the Mustang / Mustang show at Fantasy of Flight, near Lakeland, will take place on April 5th. This is a fantastic show with over 350 cars normally participating. We will use the same drill departing the same McDonalds at 730 AM. After the show is over, we will stop by Old Town to attend the cruise and have dinner. There are a lot of local cruises occurring which are listed in the newsletter. These are fun and I encourage everyone participating.

Don't forget, our January meeting will be on the 22nd at Chowder's Restaurant on Rt. One at the intersection of Sun Tree Blvd. We can start our meal at 6 PM with the business meeting at 7 PM, but get there when you can because you can be dining while the meeting is in progress. See you at the meeting.
