

## JANUARY MEETING MINUTES

No minutes to report due to our Christmas Party last month.

### EDITORS NOTE

First, I want to thank Ted and Art for having faith in me and allowing me to take over this position. Second, I am excited to do something I've never done before and would like to ask everyone to be patient with me on the first few news letters. If I should make a mistake please let me know so I can rectify it in the following issue. I would also like to offer anyone the opportunity to receive this news letter in an electronic format. I can send it in a "Word" file or a "PDF" file, if you choose this option just e-mail me your information and I will set it up. My contact information is on the front of this news letter. Another thing I would like to do is publish, short one to two paragraph stories of our members thoughts and experiences from any of the events they attend throughout the year and maybe get a picture or two to go with it. Thanks all and have a safe and Happy New Year.

Bill Miller
