## **PRESIDENT'S MESSAGE**

**Welcome to 2006!** I would like to extend our club's grateful thanks to Dave Roe for his outstanding leadership during the past two years. I especially want to thank him for the outstanding Christmas party at the Strawberry Mansion. The social exchange, food and gift exchange and price were great. We even had new members recruited by Palm Bay Ford present. In my quest to beef up my resume, I volunteered to run for president. I hear Len Wardman was disappointed he was not nominated to run, but I am sure we can find someone to volunteer his name next year. I've looked at his resume and it could use some "beefing up"!

It was a cold weekend during the Silver Springs show and I can't report who was there since my car was having the transmission repaired. I took it in to have the transmission fluid and filter changed and the fluid was not flowing through the radiator to be cooled. Must have just happened or I would have burned up the transmission which up to then had been operating just fine. They replaced the fluid pump and the replacement was bad too. Had to pull the transmission for a second time.

We have a lot of idea's for this year's programs. At the January meeting we will have a DVD, price lists and brochures on the 2006 Roush autos. Both Ford dealers have a bunch of them, and they look great. During the March dinner meeting we will have Jerry's Action Auto Center, accompanied by a factory representative, to discuss new tire technology, care, balancing and the latest in alignment equipment. You don't want to miss this meeting because tires are in a total revolution, and you will be shocked to learn what you don't know about today's tires.

The Waterford Lakes Mustang Show will take place on 2-25-06 and we will form up at the McDonalds at Rt 520 and I 95, departing at 7:30 AM to convoy over to Orlando. Also, on 11-12 March the Amelia Island Concours d'Elegance will take place at the Ritz Carlton Hotel. Contact me, and I will give you details. This is a show you really want to attend if you want to see the finest cars in the world. Let's try to get more participation for all these great events. Our membership has passed 115, so we should get some good crowds.

Thank You, Ted Ostovich

## Silver Springs Show

By Earle Timothy

We caravanned to Silver Springs early Saturday morning with former member Chris Broomfield. Chris must be an iron man for braving temperatures in the 30's while driving his Cobra roadster. We ran into Kurt Heber there in Silver Springs

There were as many cars there as I have ever seen, more older models than I remember seeing last year. Somehow, Silver Springs weekend always ends up being the coldest weekend of the year. Featured on the stage at the mansion were 3 Ford GTs a '57 Ford race car and a Thunderbolt. There was a contingent of Sunbeam Tigers there parked near Mammoth Spring. The park was as nice as ever, but they still have problems with serving food as there were long lines for most things. All in all, we had a great time!

## January Birthdays

Well, some of us got our parents' new year off to an exciting start by being born in the month of January. Actually, there are quite a few of us! So let's wish all these fine folks a Happy Birthday!

Don Breil, Randy Owens, Ken Willard, Don Whitson, Kim Carlo, Michael Klein, Art Griffin, Chris Hill, Cheryl Doughty, Sheryl Anderson, John Nast, Russell Penick, Kathleen Good, Suzy McKee, Debra Hart, James Orozco, Daniel Kerekes, and Tara Debloom
