## PRESIDENT'S MESSAGE

A good time was had by all at the annual club picnic. Thirty eight people attended including eight members from the Cobra Club. Mike Larosa and Richard Evans attended with their families as visitors and applied for membership in the club.

Kurt Heber and I attended the 30th annual MCA Mustang show in Birmingham, AL. It was held at a 2.3 mile road racing track and there were Mustangs and some GT's and one Cobra running all weekend. Big show, hot weather and a big crowd. They had a Shelby 500 and a Shelby H on display.

Kurt Heber, myself, John Melo and Bill Williams assisted Bayside Highschool in their Homecoming. Len Wardman had to abort due to a rough running engine but we were able to scare up another 2006 convertible belonging to one of the teachers so all ended well.

Roush is coming out with the 427R Mustang. That's 427 HP using a Roush designed intercooled turbo charger.

Received an E-Mail from a guy who will build you a new 1965 Mustang convertible body with the following. He needs just a few parts from a salvaged Mustang, he will furnish all new body parts for \$7,000 and labor for \$9,900. His E Mail address is [mrozmustang@aol.com](mailto:mrozmustang@aol.com).

Hershel Williamson and Len Wardman have a 1966 fastback and coupe for sale. Both are painted vintage burgundy and in good shape. Call Hershel at 636-9545 if you are interested.

We will need 10 convertibles for the Merritt Island Homecoming on October 12 for the bonfire and October 13 for the homecoming. Call me at 698-7618 if you can participate.

The September meeting will be held at the Cocoa Library on Tuesday, 26 Sept. John Melo will make a presentation on the recent changes Congress made to the 401K retirement program. This is very important information if you are not up to speed,

We will be nominating people to run for club officers and the

board during the October meeting, so if you are interested, please let me know.

We also need volunteers to assist in conducting our show on Sunday, Nov 5. Call me or let me know during the September or October club meetings if you can help.

No minutes were taken for the July meeting since it was our Annual Road Rally.
