## Your President Speaks

so watch those speed limits. Now that the summer vacations are over we are looking forward to seeing more of you at the meetings. Of course this also means that the show season is upon us again. Starting this month with the Church Street Station / Hooters Show hosted my Mid Florida. We will have a report on this show at the general meeting on the 28<sup>th</sup>.

School is back in session,

Show Time!

Don't forget to check out the calendar of upcoming events, and see what we have planned for the near future. October 2<sup>nd</sup> is our Show & Bowl held at our Spotlight Sponsor Brevard Bowling Center. This is a fun event, with a show & shine (NO judging) followed by a **FREE BUFFET** for club members who display their Mustang. Followed by a discount on bowling with some prizes for the lucky ones. Make sure you get your reservation in to Resa or me so we can let them know how many people to expect. This way we can insure that there will be enough food for everyone.

We all need to be thankful for being spared by Hurricane Floyd. Another 50 miles closer to the coast and we probably would have suffered severe damage to our county and residences. I hope all those of you located on the coast escaped with none or minimal damage.

See you on the 24<sup>th</sup> at the Cocoa Library.

John McAvey

# MUSTANG SPOTLIGHT: *Bruce and Betty Langmaack*

by Resa Reddick

Bruce was born in Mankato, Minnesota and Betty was born in Fort Worth, Texas. Bruce moved to Florida in 1979 and Betty was here before that, moving here in 1963. Both are retired now. Betty has been retired only 3 1/2 years after driving a Lynx Bus for 18 years. They meet through a dating service in 1995 and were married in 1996. Bruce's interest in Mustang's goes all the way back to 1989, when he test drove a 1989 GT out SR 402 – the road leading to Playalinda Beach. He “Pegged the 85 MPH speedometer on the big curve”! He now owns a 1990 Limited Edition 25th Anniversary 7-UP car – “At least that's what the salesman told me” - that he bought new. (Look for pictures on the web site soon – as soon as the editor can find all the pieces after the Floyd evacuation!) Betty is a different story – she didn't know what a Mustang was until she met Bruce. Now sit back and pay attention to this next part – there are 11 children, 21 grandchildren and 3 great grandchildren!! Whew!! Their plans for the future are to be able to travel. They would like to see better participation in club events, but Betty's quote says it all – “What nice, down to earth people there are in the club”

We would like to congratulate Bruce and Betty for being selected as September winners of the Spotlight Award. They were selected randomly at the August club meeting and will receive a \$25.00 certificate for dinner or bar tab at the City Limits Lounge, Braved Bowling Center, Dairy Road, Palm Bay. **To receive this award, one of them must be present at the next Space Coast Mustang meeting, September 24th.** Again, Congratulations.
